It's a playful lightness, the Salzburg, that makes this cosmopolitan city in miniature so distinctive. The "amadeus terminal 2" at the airport is Europe's first airport terminal, which presents itself as a very special event venue. The Hangar-7 at Salzburg Airport is a unique building, which has a collection housed in historic aircraft from the Flying Bulls, and also Formula 1 racing cars. In addition, the Hangar-7 space for art exhibitions and has its restaurant Ikarus, two bars and a coffee shop and is therefore not only a venue but also a meeting place for art lovers and connoisseurs.
